INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
Alexandria, VA 22313

Sir:

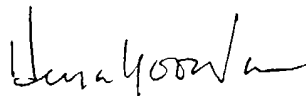

The Examiner is respectfully requested to consider the references, which may qualify as prior art and are listed on the attached Patent and Trademark Office Form PTO-1449.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

References listed as Nos. 1-9 on PTO Form 1449 attached herewith were submitted by Applicants or made of record in U.S. Serial No. 09/138,448 filed August 21, 1998, from which the above-referenced application takes priority under 35 U.S.C. §120. Therefore, copies of the references are not provided herewith.

It is believed that this submission does not require the payment of any fees. If this is incorrect, however, please charge any requisite fees to Deposit Account No. 07-1969.

Respectfully submitted,

Heeja Yoo-Warren
